

PLUS-TREAD STAIR NOSING TREAD MATERIAL

A HARD-WEARING, SLIP RESISTANT STAIR NOSING TREAD MATERIAL

A hard-wearing Stair Nosing tread material which achieves PTV ≥ 47 on the pendulum test in wet and dry conditions. It offers sustained slip resistance throughout the lifetime of the Stair Nosing, includes abrasion resistance, PUR cleanability, and superior chemical and stain resistance.

- Extremely low slip potential in dry and wet conditions. Fully laboratory tested. (See Quantum Contract Flooring Accessories & Stair Nosing Guide.)
- Suitable for industrial, public and commercial environments.
- Standard or secret fixing options.
- 10 year warranty on application.
- Free measuring service, call +44 (0) 161 627 4222 to book.
