

# VPP 1500 Column Protector

## 48mm Diameter

### Galvanised or Galvanised & Colour

Functional and robust in design, AUTOPA's range of vertical column protectors are designed to protect pipes and other vulnerable pillars from vehicle damage in a busy industrial environment. Manufactured from mild steel and galvanised to ensure their longevity. Suitable for both internal and external use.

Available in galvanised and galvanised & coated (RAL number must be specified at time of order) or galvanised and coated yellow complete with black bands.

Bolted to the wall and ground, around pipes up to 250mm diameter.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
